Cue the confetti – you officially have access to [Hone AI!](#) 🎉

Hone AI is your always-on copilot designed to help you learn, practice, and strengthen skills in the exact moment you need support.

Whether you want to become a stronger leader, improve your communication game, or deliver some tough feedback to a peer, we've got you covered.

With Hone AI, you can:

Learn on Your Schedule

Build skills in 8-10 minutes with interactive [AI Lessons](#) tailored to your needs, whether you're just getting started, need a quick refresher, or want to deepen your expertise.

Try: [Collaborate with Clarity](#)

Roleplay Real-World Conversations

Rehearse tough conversations before they happen in real life in a safe, judgment-free space with [AI Roleplay and Practice](#) sessions. Explore different reactions and get personalized feedback to help you show up with confidence when it counts.

Try: [Giving Feedback](#)

Chat With Your AI Coach

Need quick advice, a coaching conversation to reflect, or personalized recommendations to guide your professional development? [Hone AI Coach](#) is available 24/7, by voice or chat, to help you overcome challenges and bring your best to work every day.

Try these prompts to get started:

- "I need to give tough feedback tomorrow. Can you help me prepare?"
- "I'm having trouble communicating with my team."
- "What should I learn next to advance my career?"
